

INSTRUCTIONS for loading raw DNA data from ANCESTRY to MyHeritage

(assuming you have already taken the test 😊)

LOGIN to your Ancestry Account

Click on DNA tab (highlighted top right of screen)

Click on SETTINGS (highlighted top left of screen)

The screenshot shows the AncestryDNA website interface. At the top, the navigation bar includes 'ancestry', 'Home', 'Trees', 'Search', 'DNA' (highlighted with a red box), 'Help', and 'Extras'. On the right of the navigation bar, there is a 'Hire an Expert' button, a notification icon, and the user's name 'Roland Cunningham'. Below the navigation bar, a banner reads 'GIVE THE PERFECT GIFT WITH AncestryDNA®' with a 'FESTIVE EDITION' badge and an 'Order now' button. The main header area shows 'Activate a Test' on the left and 'View Another Test' and 'Settings' (highlighted with a red box) on the right. The user's name 'Hello, Roland Philip Edward' is displayed, along with a note: 'This test is shown to matches as Roland Cunningham - Linked to Roland Philip Edward Cunningham'. The main content area features three cards: 'DNA Story' with an 'Ethnicity Estimate' (22% Scotland, 19% The Balkans, 6 Other regions) and a 'Discover Your DNA Story' button; 'DNA Matches' showing a grid of match photos, '0 Starred matches', and '271 4th cousins or closer' with a 'View All DNA Matches' button; and 'ThruLines®' with a family tree diagram and an 'Explore ThruLines' button. Below these cards is a section titled 'GETTING STARTED WITH ANCESTRYDNA' with a tree diagram and a lock icon, containing a message about the 'Cunningham-Impey 2016' tree and an 'Update Your Tree Privacy Settings' button. The footer area includes three promotional sections: 'The more you test, the more you discover.' with a 'BUY NOW' button; 'When your friend gets AncestryDNA, you'll get a gift too!' with a 'LEARN MORE' button; and 'Useful links' listing various features. At the bottom, there are links for 'AncestryDNA® Privacy Statement', 'AncestryDNA® Terms and Conditions', 'Informed Consent', and 'FAQ', followed by a 'Support Centre' and a 'Visit our other sites:' dropdown menu set to 'United Kingdom'. The copyright notice at the very bottom reads '© 2002-2021 Ancestry - Privacy - Cookies - Terms and Conditions - Operated by Ancestry Ireland Unlimited Company'.

Your request to download AncestryDNA raw data

Raw DNA Data Download Confirmation

Please confirm your request to download raw DNA data for **Roland Philip Edward Cunningham** by clicking on the button below:

Confirm Data Download

This request will expire after 7 days or the first use.
To download your data after the expiration, you will need to initiate the process again on the website.

If you did not make this request, please contact us through our [online help centre](#).

Remember: Your raw DNA data is for your personal use and is intended for genealogical research and general information only. It is not intended to be used for medical, diagnostic, or health purposes or for legal proceedings.

This will take you back to ANCESTRY

Click on DOWNLOAD DNA DATA

That creates a ZIP FILE (a small window appears in bottom left corner)

Open in windows explorer (rather than SAVE)

The screenshot shows the AncestryDNA website interface. At the top, there is a navigation bar with links for Home, Trees, Search, DNA, Help, and Extras. The user is logged in as Roland Cunningham. The main heading is 'Download DNA Data'. Below this, a green button with a download icon and the text 'Download DNA Data' is highlighted with a red rectangle. To the right of the button is a link for 'What is DNA data?'. Below the button, there is a section titled 'More about the data' which contains two paragraphs of text regarding the use and limitations of the downloaded DNA data. At the bottom of the page, there are links for 'AncestryDNA® Privacy Statement', 'AncestryDNA® Terms and Conditions', 'Informed Consent', and 'FAQ'. The footer includes a 'Support Centre' link, a list of site links (Ancestry.co.uk Blog, About Us, Site Map, Gift Memberships, Careers), a 'Visit our other sites:' dropdown menu set to 'United Kingdom', and a copyright notice for 2002-2021 Ancestry.

What is DNA data?

More about the data

The data is subject to the [AncestryDNA Terms and Conditions](#) and [AncestryDNA Privacy Statement](#). You must not use the data in whole, in part and/or in combination with any other database for any discriminatory, breach of privacy or otherwise illegal activity (for example, to re-identify any anonymous donor or to make insurance or employment decisions). Once you receive the downloaded DNA data, that copy will not be protected by our security measures.

The DNA data is for your personal use and is intended for genealogical research only. With the exception of DNA variants reported in AncestryHealth health reports, which have been specifically validated by our partner laboratories, individual DNA sequences included in the DNA Data are not validated for accuracy. As such, this information is not intended for medical/health purposes or for legal proceedings.

This opens in a 'temp windows folder'

Move the ANCESTRYDNA.TXT file to a folder (can be just your usual documents one)

NOTE: you can create an account for free and can have a tree of not more than 250 people – this will give you only limited DNA research ability – matches only but not able to view your ‘relations’ tree

For advanced DNA features and a tree up to 2500 people – a premium membership is £59 for first year

Login to your MyHeritage account

Go to DNA tab (highlighted top right) and on dropdown menu click on UPLOAD DNA DATA
